Monday 21st August 2017

Dear Oblates and Associates of the Community of St Mary the Virgin, due to the spiralling costs of food and overheads, we find it is time to increase our Guest Accommodation Rates. The new rates for all other visitors will be effective from Friday 1st September 2017.

In recognition of the support and prayer the Sisters' receive from our Oblates and Associates we are continuing the Concessionary Rate for overnight accommodation.

Please be assured that any organised Oblate and Associate Retreat Bookings for the whole of 2017, will remain at the advertised rate of £45.00 inclusive, per person, per night, (plus fees as indicated). Pre-arranged Quiet Days will be £15.00 per person for the day.

All other personal Retreats and Quiet days will be priced at the new Concessionary Rates for our Oblates and Associates, beginning on Monday 2nd October 2017, giving one extra months notice. The new rates for all other Non-concessionary visitors have also been included so that you may compare and realise the value that the Guest Wing is able to offer you.

Thank you all for your support, love and prayers for the Sisters and each other.

We look forward to welcoming you to the Guest Wing.

Kind regards

Guest Wing Administrator
